MARKET ACTIVITIES, MUSIC, FOOD AND OTHER ENTERTAINMENT

The goal of the ROFM is to provide added activities – kids crafts, music, dinner/breakfast, tastings, and other entertainment – to provide compelling reasons for a broader group of people to attend and shop the Market. Specifically, the ROFM aims to attract younger adults and parents with children to the Market.

- Live music by local performers & DJs will be featured during several market sessions. Otherwise, playlist music will be provided.

RULES – All vendors must read and obey the following Market rules.

1. Items for sale must be grown, produced, or foraged by each vendor. These include fresh produce, baked goods, jams/jellies, eggs, honey, nuts, meat/fish and hand-crafted items.
2. Vendors must keep the Market area clean and neat. This is our show place.
3. Vendors must know and follow safe food handling procedures.
4. All fresh fruits and vegetables must be:
 - a. Clean and kept in clean containers on tables, in boxes/sacks or on trucks (not on the ground). Produce doesn't need to pre-washed as long as it is labeled accordingly.
 - b. Displayed attractively so customers can see them easily.
 - c. Kept in open packaging on display table(s).
5. Baked goods, jams/jellies, and honey must:
 - a. Be covered.
 - b. Meet state non-potentially hazardous food regulations.
6. Meats/fish must be slaughtered and sold in accordance with Iowa food regulations.
7. No live animals are to be sold at market. A vendor may display a sign promoting off-premise sale of live animals.
8. Vendors must have a state-certified scale in their stalls to sell produce by weight.
9. Vendors must not solicit business from customers who are at another vendor's stall.

10. All on-premises sales to customers must be made after the Market opening announcement; no pre-bagging or pre-selling items prior to the announcement.
11. Customers may pre-order, prior to market setup; these items must be brought to the Market pre-bagged and marked with a pre-order tag. Payment for pre-ordered, pre-bagged items may be taken before the Market opening announcement. Vendors must attach a pre-order tag to each bag.
12. All prices should be at fair market value; undercutting the Market only hurts the value of your work and that of your fellow vendors. The following floor prices for popular items are set for each year's Market season at:
 - a. \$6.00 a dozen for sweet corn.
 - b. \$3.00 a pound for tomatoes.
13. Vendor locations will be set by the Market Manager at the beginning of the season with returning vendors given the option of retaining their previous year's location. If a vendor will be absent one or more Market sessions, the vendor must contact the Market Manager, who will temporarily fill that vendor's stall space so the Market area appears full.
14. Vendors must collect sales tax on sales of any taxable item(s) and must have a valid temporary or permanent sales tax permit.
15. No part of any Vendor vehicle shall intrude upon, into or above the adjacent sidewalk.
16. All questions or complaints must be addressed to the Market Manager.
17. All vendors must read and sign the ROFM Liability Waiver and Hold Harmless Agreement, the ROFM Guidelines and Rules Agreement and the Pesticide Affidavit. All vendors must comply with written rules of the Red Oak Farmers Market. Noncompliance will be handled as follows:
 - a. First offense: A verbal warning by the Market Manager.
 - b. Second offense: A verbal warning and a written letter explaining the infraction.
 - c. Third offense: An evaluation of the situation and vote by a Quorum of Market Members, less the noncompliant vendor (if the noncompliant vendor is a Market Member). The Market Manager does not have a vote in the review decision. Based on the review process meeting outcome/vote, the Market Manager will take appropriate action to resolve the situation, which could include removal of the vendor from the Market.

The Red Oak Farmers Market reserves the right to deny stall or parking space(s) to any vendor at any time. The Red Oak Farmers Market will not discriminate against any applicant for a stall because of race, color, religion, sex, sexual orientation, disability, national origin, age, marital status, or familial status.
